**13th CONFERENCE OF THE ASSOCIATION FOR LINGUISTIC TYPOLOGY
PAVIA, 4-6 SEPTEMBER 2019**

PROGRAM

WEDNESDAY 4th SEPTEMBER

ATRIO PALAZZO SAN TOMMASO

8:00-9:00 Registration

AULA G1

9:00-9:30 Opening - Prof. Francesco **SVELTO**, incoming Rector of University of Pavia
Prof. Maurizio **HARARI**, Dean of the Department of Humanities
Prof. Paolo **RAMAT**

9:30-10:30 Plenary - Shelece **EASTERDAY** (winner of the Joseph Greenberg Award)
Highly complex syllable structure: A typological study of its characteristics and diachronic development

Session 1° – Aula Bottigella

10:30-11:00 David **GIL** (MPI-SHH, Jena)
Who Is Your Name?

11.00-11:30 Coffee break (Chiostro San Tommaso)

11:30-12:00 Susanne Maria **MICHAELIS** (University of Leipzig)
Differential place marking in creole languages

12:00-12:30 Gerhard **JAEGER** (University of Tübingen)
Referential scales and differential case marking: A study using hierarchical models in Bayesian phylogenetics

12:30-13:00 Michela **CENNAMO** (University of Naples “Federico II”), Francesco **CICONTE** (University of Naples “Federico II”), and Luigi **ANDRIANI** (University of Cambridge)
Constraints on Differential Object Marking in Old Sardinian

Session 1° – Aula Caminetto

10:30-11:00 Francesca **MASINI** and Simone **MATTIOLA** (University of Bologna)
Discontinuous reduplication: a typological sketch

11.00-11:30 Coffee break (Chiostro San Tommaso)

11:30-12:00 Antoine **GUILLAUME** (CNRS & University of Lyon 2)
Associated motion and associated posture in Tacana

12:00-12:30 Jonathon **LUM** (University of Melbourne)
The intrinsic frame of reference in cross-linguistic perspective

12:30-13:00 Yo **MATSUMOTO**, Anna **BORDILVSKAYA**, Kiyoko **EGUCHI**, Kazuhiro **KAWACHI**, Miho **MANO**, Takahiro **MORITA**, Naonori **NAGAYA**, Kiyoko **TAKAHASHI** and Yuko **YOSHINARI** (NINJAL)
A crosslinguistic experimental study of fourteen different paths: Toward a scale-based typology of motion event descriptions

Session 1° – Aula L5

10:30-11:00 Adam James Ross **TALLMANN** (University of Lyon II), Eric **ADELL** (The University of Texas at Austin), Natalia **BERMUDEZ** (University of Chicago), Denis **BERTET** (University of Lyon II), Gladys **CAMACHO-RIOS** (The University of Texas at Austin), Eric **CAMPBELL** (UC Santa Barbara), Javier **CAROL (UNLP)**, Willem **DE REUSE** (University of North Texas), Patience **EPPS** (The University of Texas at Austin), Michael **EVERDELL** (The University of Texas at Austin), Ambrocio Gutierrez **LORENZO** (The University of Texas at Austin), Cristian **JUAREZ** (The University of Texas at Austin), Magdalena **LEMUS-SERRANO** (University of Lyon II), Kelsey **NEELY** (UC Berkeley), Andres Pablo **SALANOVA** (University of Ottawa), Hiroto **UCHIHARA** (UNAM), Anthony C. **WOODBURY** (The University of Texas at Austin), and Dennis **WYLIE** (The University of Texas at Austin)
A new typology of constituency and convergence

11.00-11:30 Coffee break (Chiostro San Tommaso)

11:30-12:00 Eve **OKURA KOLLER** (University of Hawai'i at Mānoa)
All about that base: A linguistic typological study of the parameters of base numerals in the world's languages

12:00-12:30 Andreas **HÖLZL** and Chundra **CATHCART** (University of Zurich)
Sortal numeral classifiers in Central Asia

12:30-13:00 Silva **NURMIO** (University of Helsinki)
Singulatives and the typology of unitization

Session 1° – Aula G1

10:30-11:00 Pier Marco **BERTINETTO** (Scuola Normale Superiore, Pisa), Luca **CIUCCI** (James Cook University, Cairns), and Margherita **FARINA** (CNRS Paris)
Two types of morphologically expressed nonverbal predication

11.00-11:30 Coffee break (Chiostro San Tommaso)

11:30-12:00 Matías **GUZMÁN NARANJO** (Heinrich-Heine University of Düsseldorf) and Laura **BECKER** (University of Erlangen-Nürnberg)
Word-order correlations revisited: gradient instead of canonical orders

12:00-12:30 Erika **ASZTALOS** (Eötvös Loránd University)
Word order change and disharmony: the case of Udmurt

12:30-13:00 Yingqi **JING**, Paul **WIDMER** and Balthasar **BICKEL** (University of Zurich)
Challenging the penthouse: word order variation in main vs subordinate clauses

Session 1° – Aula L4

10:30-11:00 Hilary **CHAPPELL** (EHESS-CRLAO)
Pan-Sinitic equatives and the Southeast Asian area

11:00-11:30 Coffee break (Chiostro San Tommaso)

11:30-12:00 Iker **SALABERRI** (Public University of Navarre)
Variable marking of definiteness and specificity on proper names: A typological study

12:00-12:30 Bernhard **WÄLCHLI** (University of Stockholm)
Extended person name markers, restricted pronominal articles and non-canonical gender systems

12:30-13:00 Laura **BECKER** (University of Erlangen-Nürnberg)
The development of nonspecific articles

CHIOSTRO SAN TOMMASO

13:00-15:00 Lunch and poster session

Session 2° – Aula Bottigella

15:00-15:30 Caterina **MAURI** (University of Bologna) and Andrea **SANSÒ** (University of Insubria)
Anticircumstantial clauses across languages

15:30-16:00 Ksenia **SHAGAL** (University of Helsinki), Johanna **NICHOLS** (UC Berkeley), and Max **WAHLSTRÖM** (University of Helsinki)
(Non)finiteness in clause combining: a typological survey

16:00-16:30 Coffee break (Chiostro San Tommaso)

Session 2° – Aula Caminetto

15:00-15:30 Frank **SEIFART** (CNRS-DDL/University of Lyon II), Stefan **SCHNELL** (University of Bamberg), Maria **BARDAJÍ I FARRÉ** (University of Cologne), Christian **DÖHLER** (University of Cologne), Sonja **GIPPER** (University of Cologne), Katja **HANNß** (University of Cologne), Katharina **HAUDE** (INALCO-IRD- CNRS), Birgit **HELLWIG** (University of Cologne), Anna **MARGETTS** (Monash University), Sonja **RIESBERG** (University of Cologne), Harriet **SHEPPARD** (Monash University), Nicholas **THIEBERGER** (University of Melbourne), Claudia **WEGENER** (University of Cologne), Catharina **WILLIAMS-VAN KLINKEN** (Dili Institute of Technology), and Nikolaus P. **HIMMELMANN** (University of Cologne)
Typological causative prominence and causal verb text frequencies: Refinements based on language documentation corpora

15:30-16:00 Neige **ROCHANT** (ENS Paris)
Causatives which do not cause: Refining the typology with the case of Andi (Nakh-Daghestanian)

16:00-16:30 Coffee break (Chiostro San Tommaso)

Session 2° – Aula L5

15:00-15:30 Polina **NASLEDSKOVA** (Higher School of Economics, Moscow)
The expression of ordinality: a cross-linguistic survey

15:30-16:00 Francesca **DI GARBO** (University of Stockholm)
Plural marking on noun-associated forms: A typological study of Cushitic languages

16:00-16:30 Coffee break (Chiostro San Tommaso)

Session 2° – Aula G1

15:00-15:30 Erica **BIAGETTI** (University of Pavia/University of Bergamo)
Coordination in Compounding: the case of Classical Sanskrit

15:30-16:00 Steve **PEPPER** (University of Oslo)
Compounding as a universal, and the trouble with ‘word-formation’

16:00-16:30 Coffee break (Chiostro San Tommaso)

Session 2° – Aula L4

15:00-15:30 Annika **TJUKA** (Humboldt University of Berlin)
Revealing cognitive patterns: A cross-linguistic study of body-part metaphors

15:30-16:00 Martin **HASPELMATH** (MPI-SHH, Jena)
“Anti marking” in the world’s languages and its functional-adaptive explanation

16:00-16:30 Coffee break (Chiostro San Tommaso)

Session 3° – Aula Bottigella

16:30-17:00 Katarzyna **JANIC** (University of Leipzig)
The crosslinguistic investigation of grammatical coding asymmetry in the benefactive domain

17:00-17:30 Rozenn **GUÉROIS** (Ghent University)
Studying variation in the expression of agents in Bantu passives: A corpus-based investigation

17:30-18:00 Maxwell **MIRANDA** (Federal University of Mato Grosso) and Andrea **SANSÒ** (University of Insubria)
Antipassive constructions in Jê languages: typological convergencies and divergencies

18:00-18:30 Aitor **EGURTZEGI** (University of Zurich), Sebastian **SAUPPE** (University of Zurich), Damian **BLASI** (University of Zurich), Kamal **CHOUDHARY** (Indian Institute of Technology Ropar), Nathalie **GIROUD** (Concordia University), Yingqi **JING** (University of Zurich), Shikha **BHATTAMISHRA** (Indian Institute of Technology Ropar), Mahima **GULATI** (Indian Institute of Technology Ropar), Ina **BORNKESSEL-SCHLESEWSKY** (University of South Australia), Itziar **LAKA** (University of the Basque Country), Martin **MEYER** (University of Zurich), and Balthasar **BICKEL** (University of Zurich)
The agent preference in sentence planning: Challenges from ergative case marking

Session 3° – Aula Caminetto

16:30-17:00 John **MANSFIELD** (University of Melbourne)
The development of inflectional thematics from bound verb stems

17:00-17:30 Chiara **ZANCHI** (University of Pavia)
On the functions of Indo-European preverbs: a typologically informed reappraisal

17:30-18:00 Daniel **ROSS** (University of Illinois at Urbana-Champaign)
Multi-verb predicates: a multivariate approach to serial verbs and similar constructions

18:00-18:30 Laura **HORVÁTH** (Eötvös Loránd University, Budapest)
Grammaticalization processes of complex predicates with converbs in Udmurt

Session 3° – Aula L5

16:30-17:00 Jessica **IVANI** (University of Kiel) and Taras **ZAKHARKO** (University of Zürich)
Introducing Tymber — a modern typological database of nominal number systems

17:00-17:30 Chundra **CATHCART**, Andreas **HÖLZL**, Paul **WIDMER**, and Balthasar **BICKEL**
(University of Zurich)
Numeral classifiers and plural marking in Indo-Iranian: an evolutionary study

17:30-18:00 Hilary **CHAPPELL** (EHESS-CRLAO) and Denis **CREISSELS** (University of Lyon)
The typology of predicative possession revisited

18:00-18:30 Matthew S. **DRYER** (University of Buffalo)
The Position of Pronominal Possessive Words Relative to Other Modifiers of Nouns

Session 3° – Aula G1

16:30-17:00 Peter **ARKADIEV** (Russian Academy of Sciences)
Object partitive of negation: An areal typology

17:00-17:30 Olga **KRASNOUKHOVA** and Johan van der **AUWERA** (University of Antwerp)
From ascription to standard negation: A cross-linguistic exploration of constructional diachrony

17:30-18:00 Matti **MIESTAMO**, Ksenia **SHAGAL**, and Olli **SILVENNOINEN** (University of Helsinki)
Negation in subordinate clauses: A pilot study of cross-linguistic variation

18:00-18:30 Rachel **NORDLINGER** (University of Melbourne)
Negative predicate classifiers in Murrinhpatha

Session 3° – Aula L4

16:30-17:00 Timur **MAISAK** (Higher School of Economics, Moscow)
Contrastive/restrictive markers in Daghestanian: towards intragenetic typology

17:00-17:30 Johannes **HELMBRECHT** (University of Regensburg)
The morphosyntax of adjectives in Hoocqk and other Siouan languages - variation of a weak syntactic category

17:30-18:00 Judith **VOß** (University of Kiel)
Macrofunctionality - Genitives, Adjectives and Relative Clauses in Munda languages

THURSDAY 5th SEPTEMBER

ATRIO SAN TOMMASO

8:30-9:00 Registration

Session 4° – Aula Bottigella

9:00-9:30 A cross-linguistic perspective on the role of the lexicon in actionality: Introduction

9:30-10:00 Jurica **POLANČEC** (University of Zagreb)
Two-phase verbs: a crosslinguistic look at an actional class

10:00-10:30 Johanna **MATTISSEN** (University of Cologne)
A cross-linguistic view on lexically inherent actional classes

10:30-11:00 Coffee break (Chiostro San Tommaso)

Session 4° – Aula Caminetto

9:00-9:30 Lexical restrictions on grammatical relations in voice constructions: Introduction

9:30-10:00 Sergey **SAY** (Russian Academy of Sciences)
Natural antipassives

10:00-10:30 Roland **POOTH** (Ghent University)
Pre-causative detransitivization and the restriction of causatives to intransitives or to non-agentive intransitives

10:30-11:00 Coffee break (Chiostro San Tommaso)

Session 4° – Aula L5

9:00-9:30 Typologising the noun phrase: Beyond (non-)configurationality: Introduction

9:30-10:00 Mark **VAN de VELDE** (LLACAN-CNRS)
The AMAI cycle in the Bantu languages

10:00-10:30 Eva **SCHULTZE-BERNDT** (University of Manchester)
When subjects frame the clause: Discontinuous noun phrases as an iconic strategy of marking sentence focus

10:30-11:00 Coffee break (Chiostro San Tommaso)

Session 4° – Aula G1

9:00-9:30 Current research in phonological typology: Introduction

9:30-10:00 Inna **SIEBER** (Higher School of Economics, Moscow)
Assibilation typology (based on languages of Russia)

10:00-10:30 Dmitry **NIKOLAEV** (The Hebrew University of Jerusalem)
Sound changes and synchronic alternations: A comparative survey

10:30-11:00 Coffee break (Chiostro San Tommaso)

Session 4° – Aula L4

9:00-9:30 Towards a diachronic typology of individual person markers: Introduction

9:30-10:00 Sonia **CRISTOFARO** (University of Pavia)
Typological explanations in synchrony and diachrony: on some possible origins of 1st/2nd vs. 3rd person marking asymmetries

10:00-10:30 Ilja **SERŽANT** (University of Leipzig)
Evolutionary Typology of Bound Verbal Person-Number Indexes

10:30 -11:00 Coffee break (Chiostro San Tommaso)

Session 5° – Aula Bottigella (A cross-linguistic perspective on the role of the lexicon in actionality)

11:00-11:30 Andrej **MALCHUKOV** (University of Mainz)
Actionality classes and aspectual hierarchies

11:30-12:00 Walter **BREU** (University of Konstanz)
The degree of temporal dynamics as the overall basis for aspect and actionality and their interaction

12:00-12:30 František **KRATOCHVÍL** (Palacký University in Olomouc) and Benidiktus **DELPADA** (Nanyang Technological University)
The Role of the Lexicon in Aspectuality in Abui

Session 5° – Aula Caminetto (Lexical restrictions on grammatical relations in voice constructions)

11:00-11:30 Lunella **MEREU** and Valentina **PIUNNO** (Roma Tre University)
A usage- and corpus-driven study of valency-changing and voice-related constructions in Italian

11:30-12:00 Atsuko **KANDA UTSUMI** (Meisei University)
Semantic Typology of Voice Systems in Western Malayo-Polynesian Languages

12:00-12:30 Maria **MESSERSCHMIDT** (University of Copenhagen)
Increasing the valency of motion verbs

Session 5° – Aula L5 (Typologising the noun phrase: Beyond (non-)configurationality)

11:00-11:30 Antonio **MAGAÑA MACÍAS** (University of Leipzig)
Determiners in Tojolabal

11:30-12:00 Closing of the theme session

12:00-12:30 Demonstration of the *Dictionaria project* (Martin **HASPELMATH** et al.)

Session 5° – Aula G1 (Current research in phonological typology)

11:00-11:30 Kirsten **CULHANE** (University of Mainz)
A typology of consonant/zero alternations

11:30-12:00 Erich **ROUND** (MPI-SHH, Jena)
Canonical Phonology

12:00-12:30 Eitan **GROSSMAN**, Dmitry **NIKOLAEV**, Elad **EISEN**, Ronén **JÚDA**, Schwartz **LAYLA**, Yoav **YOSEF** (The Hebrew University of Jerusalem), and Steven **MORAN** (University of Zurich)
The typology of phonological segment borrowing

Session 5° – Aula L4 (Towards a diachronic typology of individual person markers)

11:00-11:30 Johanna **NICHOLS** (University of California Berkeley)
Evolutionary pathways for attractor forms in pronominal systems

11:30-12:00 Jonah **BATES** (University of Kansas)
Typology of Change in Person Marker Reference

12:00-12:30 Gilles **AUTHIER** (EPHE, PSL)
Inclusiveness as an attractor: evidence from replacements and syncretisms in some East Caucasian pronominal sets

CHIOSTRO SAN TOMMASO

12:30-14:00 Lunch

Session 6° – Aula Bottigella (A cross-linguistic perspective on the role of the lexicon in actionality)

14:00-14:30 Leora **BAR-EL** (University of Montana) and Malin **PETZELL** (University of Gothenburg)
On the application of actionality diagnostics across Bantu languages

14:30-15:00 Anna **POMPEI** (Roma Tre University)
Accomplishment motion nouns and the selection of ‘to do’ or ‘to give’ in Latin and Romance languages light verbs

15:00-15:30 Closing of the theme session

15:30-16:00 Coffee break (Chiostro San Tommaso)

Session 6° – Aula Caminetto (Lexical restrictions on grammatical relations in voice constructions)

14:00-14:30 Jeremy **BRADLEY** (University of Vienna), Nikolett F. **GULYÁS** and András **CZNTNÁR** (Eötvös Loránd University)
Causatives and reflexives in the languages of the Volga-Kama region
